

To whom it may concern,

I am writing this letter to express my sincere interest to collaborate with Dr. Miguel Marafuschi in a survey-based research project.

This project focuses on investigating the relationship between organizational flexibility and employee creativity among small and medium-sized enterprises in Argentina.

Dr. Miguel Marafuschi will lead the research field work in Argentina and I lead other research activities (i.e. survey design, data analysis, research paper drafting, etc.) in the UK.

Please let me know if there is any additional information about this research I can provide.
